

Clinical Innovation Excellence Award Nomination

The Shannex Care Innovation Excellence Award is bestowed upon an individual or project team that demonstrates a creative approach to improving a care practice. The successful party is one who identified a care concern at an individual/neighborhood/facility/campus level and implemented a change in care practice that lead to improved client outcomes. The innovation has the ability to be shared and replicated at other sites.

2020 Excellence Awards Nomination Form:

Nominator Testimonial: In this section, we ask you the Nominator to please describe why in your opinion the nominee is deserving of the award. Ensure that your content describes how the nominee lives our core values when it comes to service excellence. Be sure to use specific examples as the selection committee will exclusively use the content of the nomination to select winners. The values and sample criteria are available on the next page.

Supporting Testimonials: This section helps build a case to support your nomination. Testimonials can be from Managers, Co-Workers, Residents, or direct reports and should be specific examples around why the nominee is deserving of recognition.

Clinical Innovation Excellence Award Nomination

Nominations will be judged solely on the information provided by the nominator in relation to Shannex's core values. Below you will find our core values and sample criteria that the selection committee will use as a guide during the selection process.

Core Value	Sample Criteria	
Residents First:	<ul style="list-style-type: none"> • Identified an individual/trending client care concern and committed to change current care practices to meet client(s) needs in a creative and collaborative manner. 	
Trusted Partnerships:	<ul style="list-style-type: none"> • Sought out/researched internal and external partners to fully understand the client care concern. • Collaborated with internal and external partners to identify potential causes due to current care practice and potential issues to care practice to address the client care concern. • Collaborated with clients and families to identify potential causes and solutions to the client care concern. 	

**Improving
Quality:**

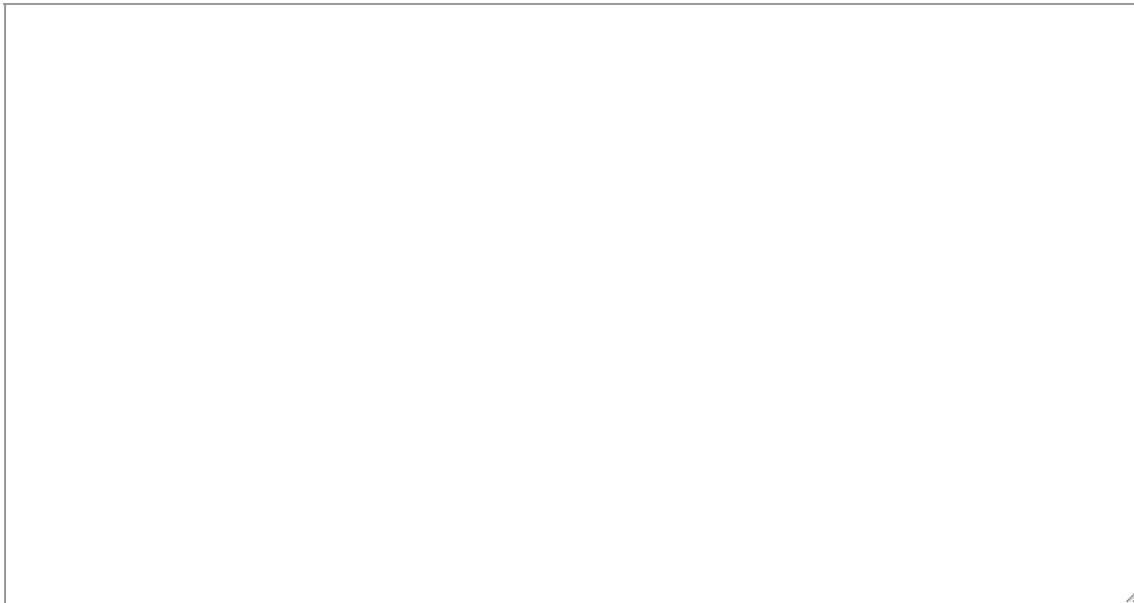

- Initiated a quality improvement process to implement changes to care practice and monitored outcomes to determine if the solution was effective and or created a positive outcome.

**Being
Accountable:**

- Shared lessons learned with team/clients/ families
- Shared outcomes with the organization that lead to an organizational change in practice
- Continued to seek solutions until a positive outcome was achieved.

Clinical Innovation Excellence Award Nomination

- * 3. **Nominator Testimonial:** Please describe in detail why this employee is deserving of the Service Excellence award. Please use specific examples and ensure to include how the nominee demonstrates Service Excellence in relation to all four values.

Clinical Innovation Excellence Award Nomination

4. **Supporting Testimonials:** Please include any testimonials from the nominee's Manager, Co-workers, and Residents that support your nomination. Supporting testimonials are not mandatory but are a valuable addition to any nomination. Supporting Testimonials help to reinforce and validate a nomination.
