

Call for Applications

Resident and Family Advisory Committee

At Shannex, we know the importance of understanding our resident's needs in order to continuously improve the quality of care and services we provide. Our resident's wellbeing is central to all that we do and we are committed to ensuring that all major decisions are informed by our resident's voice.

Guided by this commitment, we are now recruiting for a new Resident and Family Advisory Committee.

Who can apply?

Residents who are currently living in a Shannex nursing home or Parkland Retirement Living community, or are a resident family member.

How will the successful recipients be selected?

The Shannex Resident and Family Engagement Steering Committee will review all applications and has the discretion of selecting the Advisory Committee. The Steering Committee will aim for an Advisory Committee that accurately represents the organization's service lines and geographic location.

How long does a member of the Resident and Family Advisory Committee need to serve?

The term is for one year, with an option to extend for one year. A term must not extend beyond two years.

What is the time and travel commitment for this committee?

We anticipate the Committee will need to meet quarterly. Travel may be required for the first meeting and all associated costs would be covered.

When are the applications due?

Applications are due Thursday April 11, 2019.

Where do I submit my application?

Please submit applications to:
